Empowering learners for their future

DAY FOR DANIEL

BORAMBOLA EXCURSION

Last week on the 3-6 excursion to Borambola, Miss Littlehales and I were very impressed at how all the students tried their very best at all activities. They challenged themselves and achieved even more than they thought possible. Activities such as archery, kayaking, rock climbing, flying fox and BMX bike riding were extremely popular. The “Mud Run” was also popular with Gus (our group leader) filming our groups of students for a promotion video for Borambola, which will be put on their website soon. We were the first group to officially complete this activity. Great groupwork.

We have an awesome group of students and I am very proud of them all!
HOW 2 LEARN
Staff have been engaging in professional learning for HOW2LEARN, helping students develop a repertoire of effective dispositions and habits for learning. This means that students will be ready, willing and able to face the constant challenges of learning. We want students who are inclined to want to learn, to question, to find out more, as well as to have grit and determination required to stick with their learning.
Students will be learning about and using the superhero of “Reflectiveness Strategex”. Strategex uses clever strategies to remember important things about what they are learning. They can look at things from different angles and can draw out the main ideas from what they have learned. They will use this to make decisions about what to think and do next.

HABIT OF MIND AWARD
Habit of Mind Award was presented to Lucinda McCarten for always taking the time to think about things deeply and concisely. (This is always evident in the classroom and the playground and also on the excursion).

PROFESSIONAL LEARNING
On Monday and Tuesday, I will be in Narrandera for the completion of my HOW2LEARN training. Mrs Wilson will be at Tullibigeal for her learning and support teachers network meeting on Wednesday. Also on Wednesday I have a meeting with Brad Russell and other principals to discuss our Professional Development Plans. This will be in Leeton at 11.00 am.

HOW TO MAKE A COMPLAINT
Anyone can make a complaint. Ideally, most complaints should be resolved informally.
It is best to discuss your concerns with your child’s teacher first. Make an appropriate time to meet with them or phone the school and ask for an appointment with the teacher.
If you are not happy with the result, or if you do not feel it is appropriate to talk to them, phone and make an appointment to discuss your concerns with the principal.
You may bring a friend or relative to be your support. If you need an interpreter, we can arrange that – just ask beforehand.

If your complaint is about the principal you will need to contact the school education director in your area. Ask the school office staff at your school for their name and number.

If your complaint cannot be resolved in an informal way, we may ask you to put it in writing. It is important that you include specific details of the situation and tell us what you would like to happen as a result of your complaint. We can help you to put your complaint in writing, if you require it.

Alternatively a complaint form may be used. Complete the form and send it to the principal, or the school director in your area.

Whooping cough information for schools

There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children.

Coughing spreads the infection to others nearby. Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies.

Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
- If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.
- Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation.

Your local public health unit can provide advice about whooping cough on 1300 066 055 or visit the NSW Health website for information for childcare and schools about whooping cough.
SELECTIVE SCHOOLS 2017

Applications for Year 7 selective high school placement in 2017 are now open. An information booklet is available at school. Parents must apply online at www.schools.nsw.edu.au/shsplacement before 16 November 2015.

VOLUNTEER AWARD – YOUTH & OPEN CATEGORIES

Sport and Recreation are again holding the **Central West Winter Sport Volunteer Award**. It’s the end of the winter sporting season, but it’s not too late to recognise the efforts of the outstanding volunteers who keep sport going in our communities. The Award has separate categories for both open and youth (25 years and under) to recognise the importance of all aged volunteers in grassroot sports.

In 150 words or less tell us how your volunteer is worthy of being nominated. All nominees will receive a certificate, with the winner and runner up being awarded $250 & $100 (respectively) to spend on approved sports development programs. It’s a great way to say thank you to a coach, committee member, official or manager. It’s a simple process that won’t take long, but will make the nominee feel valued as a volunteer.

Nominations can be made online via the Sport and Recreation website sportandrecreation.nsw.gov.au/volunteeraward or call 6362 6623. Nominations close Friday 6th November 2015.

**SQUAD TRAINING** started on Monday 19th October, 2015.

What better way to stay refreshed while exercising the whole body in the heat.

Not sure what squad you would be in? Don’t worry, come down and see the coaches, and we will do a quick assessment and pop you in the right squad program for you.

All squad members will required their own goggles, flippers and kick board this season. (If you are new, for your first session you will be able to borrow flippers and kickboard) Eyeline merchandise will be able for purchase from the kiosk.

Specific details on each squad level is attached in the flyer.

Looking forward to seeing all our squad members returning for what looks to be a great swimming season.

Thank you.

Regards,

**Melissa Westaway**
